

## **Stones - Artwork in Progress by Margaret Shaw**

With the sales of some stones it was time to design some new ones. Stones were selected and drawn round with ideas roughly worked out on paper.

Next came the task of drawing the ideas onto the stones and trying to use the natural elements in the stones.

Then the first layer of paint. With areas of stone left unpainted.

2<sup>nd</sup> layer of paint on ( with tweaks on the colour ) followed by details added. Coat of varnish to be applied and into the [Stones Gallery](#).
